Costa del Sol, Estepona

Very first line golf unit with sea and mountain views! Elevated ground floor in a highly desired urbanisation, built around one of the best golf courses of the Costa del Sol. This was actually the show flat back in the day, so it has been decorated with taste by an interior designer, and the furniture is perfectly adapted to the layout and style of the apartment and surroundings. The living room and kitchen have direct access to the outside space, and all rooms overlook the golf course. The owners have added electric blinds, wooden wardrobes for clothes and storage, and several other add-ons, including terrace blinds to be able to enjoy the outside space even in summer. The urbanisation has 24h security, two pools, mini market, saunas, club house with restaurant, and of course direct golf access, all waking distance. All equipment relating to golfing can be rented there. Easy viewings, great price, a must see!
